# SAFETY POLICIES

The following policies can be found on [www.hockeynz.co.nz](http://www.hockeynz.co.nz).

## HARASSMENT POLICY

In providing a safe and secure environment for participation in hockey, providers should ensure to the best of their ability players and officials are not subjected to any form of physical, psychological or sexual abuse as a result of their association with hockey.

## ANTI DOPING CODE

Hockey NZ supports the New Zealand Government, Drug Free Sport NZ, the FIH and the IOC in the development of national and international initiatives to deter the misuse of drugs in sport. It recognises the need to take strong and positive action to reduce harm to the individual and to the sport, and to educate and inform those persons and organisations whom this policy applies.

## HEAD INJURY

At all Hockey New Zealand tournaments, Hockey New Zealand insists that a player that has received a head injury with suspected concussion may only commence playing again when a medical certificate clearing the player of concussion has been supplied to the Tournament Director, or Tournament Administrator.

## CODE OF CONDUCT POLICY

This policy outlines the standards of discipline and behaviour expected of players, coaches, managers, officials, umpires and player spectators in accordance with the rules of Hockey NZ. The Code of Conduct Policy also outlines the process to hear any allegations of misconduct.

## MOUTH GUARD POLICY

It is now mandatory for all players taking part in Hockey NZ Youth Tournaments to wear mouthguards. Hockey NZ strongly recommends the wearing of mouthguard by all players at all tournaments. Managers of all teams are to control the use of mouth guards, not the umpires.

## SMOKEFREE POLICY

Hockey is a smokefree sport. We proudly endorse the Smokefree/Auahi Kore message as part of promoting healthy lifestyles to our members. This tournament is totally smoke free, inside and out. We appreciate you respecting our philosophy.

# Hockey New Zealand President's Message

## Vantage Masters Tournament

E nga mana e nga reo e nga hau e wha. To the power, the languages and the four winds  
Tena koutou tena koutou, tena koutou katoa. Welcome, welcome, welcome

What a privilege to be in New Zealand in 2024 and be able to attend and participate in the largest domestic Hockey tournament to be held ever in New Zealand. We have 99 teams entered and will have over 1600 participants and 70+ officials.

It has been a few years since we have been in the wonderful Wellington region so we will enjoy reconnecting with the area and all that Wellington has to offer.

As master's players our bodies may not move as quickly as they once did or in my case as flexible as it once was, but we never lose the desire to learn a new skill, to challenge ourselves as we train and prepare for the tournament or to know what it is like to play well within a team and to be competitive on the field.

It is also great opportunity to renew old friendships (and rivalries). I urge you to take the time to enjoy all that is on offer at the tournament and in the environs while you are here.

I want to take the opportunity to thank all the organisers and the officials also participating at this National Masters tournament for their tireless work. As players we often believe we know the rules and even as we get a little older do not always accept that others such as our officials are in a better position to officiate the game. Remember to thank the officials for their service and to support them in their efforts by following their rulings and playing in good spirit.

Lastly, whilst some of us may need to work and take care of things back home – do take time to support the tournament by watching the games and enjoy connecting with friends of old and new friends to make.

Nga manaakitanga With best wishes

## **Deputy Mayor, Wellington City Council Message**

### **Vantage Masters Tournament**

Nau Mai, Haere mai ki te Pōneke!

On behalf of the Mayor Whanau and our council, I welcome all the players in the NZ Masters Hockey Tournament to our beautiful capital Wellington.

We are excited to be able to host this significant event here in Welly. The hockey grounds on which you will be playing is one of our prized sites in Wellington. As a council we put a lot of care into these grounds as we love seeing them used by players from all over the region and in this case from all over the country. As one of the city councillors for this area I walk around the grounds frequently and love hearing the cheers for the Hockey games. So I have no doubt I'll certainly be hearing yours.

If you have some extra time or your families need a distraction, we invite you to explore what is happening in our vibrant capital. We have some very special visiting attractions including the Marvel exhibition at our new conference center Takina, and the Dinosaurs of Patagonia at Te Papa, not to mention our newest Welly whanau the Snow Leopards, Asha and Manju at Wellington Zoo, which is just a walk away from the Hockey Stadium. Even if you just want to grab a coffee at one of our cool cafes or rent a bike to cycle around our stunning waterfront, we hope you have an absolutely positive time here in Pōneke.

So we hope you are successful in the tournament, that you get to reconnect, build friendships with fellow players and that you have an absolutely positively great time in Wellington.

Ngā mihi
