## Pope Shield

100 Year Celebration Weekend  
Friday 26 July - Sunday 28 July 2024

*100th Pope Shield  
72nd Gladstone Cup*

# President's Welcome

It is my pleasure to Welcome players and guests to Marlborough in this jubilee Year of the Pope Shield and 72<sup>nd</sup> Gladstone Cup..

On this momentous occasion, we gather to commemorate the hundredth anniversary of the Pope Shield, a cherished tradition that unites Marlborough, Nelson, Buller, and the West Coast women in the spirit of camaraderie and sportsmanship. We are proud as an Association to be able to showcase this prestigious event at our new Puna Wai Hockey Stadium.

Since that inaugural match in 1924, this cup has not only celebrated skills and determination but also fostered enduring bonds between communities across our wonderfully diverse region. Today, as we reflect on a century of shared memories and competitive spirit, we honor the dedication and passion of all those who have contributed to the legacy of this tournament.

As we look forward to the matches ahead and the joyous festivities planned, let us take a moment to appreciate the significance of this occasion. May the spirit of fair play and friendship guide us throughout this celebration and inspire generations to come.

Thank you for joining us in celebrating this milestone. Together, let us make this centennial anniversary a truly memorable event. Enjoy our hospitality and contribute to the spirit of celebration by renewing friendships and building new acquaintances in the spirit of the game.

## **Pope Shield History**

Mr Wilfred Pope married twice, he was married to his first wife in 1922 two years before the Pope Shield was donated. The Pope Shield was for competition among hockey association representative Women's teams from the Marlborough, Nelson, Buller and West Coast areas. It was presented for competition, by Mr Wilfred Pope who had a car service business, with a view to establish a women's representative hockey trophy along the lines of the rugby Seddon Shield. Mr Pope had five children from his first marriage none of them played hockey. For several years, his cars were hired to transport the Pope Shield hockey teams to away matches. Mr Pope rounded up his car business in 1931 and moved to Blenheim. Where he married his second wife and had 6 children. Only one child 'Graham' played hockey for College and then played for the Wairau B Hockey Club. Wilfred has two surviving children, Margaret Marfell and Graham Pope.
