

Voice of Coach & Manager Survey 2024

Association Information

Purpose:

The purpose of the voice of coach and manager survey 2024 is to gather insights into the experiences and perceptions of hockey coaches, managers and volunteers who support teams and players of all ages across New Zealand. The collection and analysis of this data will support Hockey New Zealand and the Coaching Advisory Group to better understand the current coaching environment and will contribute to the development of an end-to-end coaching plan, which will integrate the existing Community Coaching and High-Performance Coaching Plans.

Target Audience:

We want to capture data from everyone in community so please encourage all coaches, managers, or volunteer helpers, regardless of age, experience or position, to complete the survey.

What we need from Associations:

We would really appreciate associations support to promote this survey directly to your coaching community. This can be done via sharing Hockey New Zealand communications/social media posts, or by sharing the link below directly with your coaches, managers or volunteer helpers.
