

Hockey Nelson

Statement of Strategic Direction

Passed February 2024

Vision

To provide a world class hockey experience for our community

Mission Statement

NHA will provide a fun, healthy and nurturing hockey environment where our community can develop and thrive.

Values

Whanaungatanga (Connections)

He waka eke noa

We aim to provide an inclusive, enjoyable, and rewarding experience for everyone engaging with NHA.

Whanaketanga (Development)

Whaia kia tutuki

We will provide clear pathways for all our players, coaches, umpires, and administrators and support them to achieve the level to which they aspire.

Hapori (Community)

Ka oti te maki

We actively seek to grow our sport and encourage our community to participate in a safe, healthy, social environment that contributes to the wellbeing of all.

Pillars

People

Increase the impact of our people by encouraging mutually beneficial engagements and by recognising and developing personnel in the NHA community.

Performance

Increase the success of our competitive hockey community at a national level.

Participation

Measurable increase in participant numbers and satisfaction level by providing layered & progressive stages of development opportunities.

Place

Create a community facility that allows participation in hockey at any level of ability.
