

Regional Development Manager - Nelson Hockey Association - Position available

Employment Status: 1 FTE (40hrs) **Salary Range:** \$60,000 – \$65,000. (Experience dependent)

Do you have a passion for COMMUNITY SPORT!

We are looking for a dynamic, energetic individual to fill the Regional Development Manager role at NHA. If you are keen to get fully immersed in community sport and be a key contributor to the Associations purpose of “providing a great sport for life” we are looking for you!

Your role will be responsible for increasing participation, providing outstanding delivery of hockey at school and club level, organizing the local competitions and tournaments, and enhancing the experiences of all our current members. You will also be key in connecting with our club and school communities.

Ideally, you will be experienced in sport development whether this is within hockey or sitting with another sports code. You will be enthusiastic! Awesome communication will come naturally, and you will be able to demonstrate great leadership abilities. You must be able to show versatility and confidence. Having experience in dealing with volunteers of different ages would be a bonus too.

About Us:

The Association governs hockey in the Nelson Region, providing social and competitive hockey opportunities to our membership and clubs, and development opportunities to schools.

With around 800 members we must ensure we remain relevant to our community and provide a service that caters for young kids all the way through to our most senior volunteers and players.

Boasting 2 international standard turfs, we attract both national and international tournaments.

Relevant Skills and Experience

- Motivated self-starter possessing confidence and professionalism.
- Highly developed leadership and interpersonal skills.
- Ability and willingness to take on daily administrative tasks.
- Experience of hosting and organizing competitions and tournaments.
- Experience in the delivery of coach, volunteer, and player development initiatives
- Experience in delivering sport within schools.
- Cultural awareness and sensitivity, community minded.
